## 2011 NTMA Pittsburgh Summer of Excitement: Insurance Program Enhancements

### A message from Mark Zukowski, PMA Insurance

As summer quickly descends upon the Western Pennsylvania region and all of us begin to gear up for our favorite summer activities such as golfing, hiking, and bicycling there are several new and exciting changes forthcoming in the Pittsburgh Chapter's NTMA Insurance program ... yes, I said "*new and exciting*" with respect to insurance for the 2011 – 2012 policy period.

First, the PMA Companies are proud to partner with **Bill Dimond and the good folks at [Ron Dunn Agency](#)** to offer our valued Pittsburgh Chapter clients the *National NTMA Property and Liability Program through AIX*. Bill's agency is the "exclusive" agent of record for the Chapter and this is just another excellent benefit available to the current Workers Compensation program members. This will provide one stop shopping for all of your business insurance needs. I've known Bill and his family for 15 years and regularly work with his agency. You will find his level of professionalism, knowledge of the industry and his work ethic extremely high. His appointment is a tremendous value-added benefit for the Pittsburgh Chapter and a resource you should take advantage of.

A second point to note: [PMA Companies](#) have added an additional service contact to the program effective immediately. Please welcome **Rick Scott Account Executive** to the NTMA Pittsburgh Service Team. Rick has been a valuable contributor to PMA Companies service platforms for over 5 years. Rick brings a diverse skill set to the Pittsburgh Chapter with a core competency in Risk Control engineering. Rick and I will be making stops to all of you to personally introduce him. Please give him a warm NTMA Pittsburgh welcome when you meet him.

As is **ALWAYS** the case, please feel free to call me direct at (800) 242-1623 extension 1263 or email me at [Mark\\_Zukowski@pmagroup.com](mailto:Mark_Zukowski@pmagroup.com) if you have any questions regarding this information. I look forward to seeing you all very shortly.

Sincerely,

*Mark M. Zukowski*
